## Latest News

...the 1st Place black Plates are here and ready to be presented to the class winners, will that be you?

After a slow start the entries are now coming in thick and fast. It is certainly shaping up to be a great race meeting at what is considered to be not only NSW's but Australia's best drivers tracks.

It's not too late to put your entry in. Simply fax an entry with credit card details to 02-49551737 or contact the NKRC office on 02-49533299 to make other payment arrangements.

## **Pit Spots and camping**

In the interest of competitor comfort in the case of rain it has been decided to use the graveled car park as the pit area. Please contact John Martin on 0401-346152 or email [post2452@hotmail.net.au](mailto:post2452@hotmail.net.au) to book your pit spot.

The track owner is welcoming camping at the facility during the event. The cost is \$10.00 per site per night payable directly to Raleigh International Raceway.

Thank you to all competitors, pit crew, family and friends for supporting this great event.
