

From Jason Clements:

Hi Geoff, since we last talked I have had a very successful outing at Eastern Creek, I qualified 2<sup>nd</sup> out of 30 cars, in the racing I had 2 2<sup>nd</sup> places and a win in the final race, It was the F1 Ferrari who was my main competition for the weekend and put up a very tough fight, I have attached my favourite pic. from the weekend and also a link for some you tube footage.

I have an article going into Auto Action soon and I will forward it to you.

I am racing a M3 BMW at the next QLD improved production round at Morgan Park at the end of May.

We will be returning to eastern Creek in November for the Tasman revival meeting, this is usually a huge meeting with over 500 entries!!

Thank you for the coverage you provide it has been very well received.
