

Next Grafton kart race meeting – 25th October

With no “home” meeting scheduled for October, how about Lismore members head down to Grafton for the weekend of the 24th and 25th and join in on their fun.

Last meeting at Grafton in September was a start to the return to a Grafton of old, with Coffs Harbour kart club members turning up in good numbers. The crew from Glenn Innes made the trek down the mountain and some of the Lismore TAGR boys with their Junior support class drivers in tow, making it a weekend camping event for the whole family.

Rumour has it that a couple of the “responsible” adults even stayed awake all night to make sure the fire was kept alight, keeping all the campers safe from the “wild” Echidna’s, Koala’s and Wallabies that lurk in the surrounding bushland at the Mountain-view Motorsport Complex. By all accounts it was very thirsty work but a job well done. TG I hear is on the look out for more volunteers to help with the overnight “watch” next meeting.

The best supported classes in September at Grafton were Midget/Rookies and Senior Clubby, though the JNL, Snr National and 125TAGR had enough to get out and have some fun with.

Let’s see if we can build on this at the October meeting.

Remember that the Northern Zone round next year will go to the Club Championship. Get in early and set up for next year by doing a bit of racing back at Grafton this year and if we are all there on the 25th, then it should be a just like the “old” days.

See you at Grafton.
